

## GHANA STATISTICAL SERVICE

### DISCLAIMANT

It has come to the attention of the Management of Ghana Statistical Service (GSS) of a body advertising recruitment, either for or on behalf of the Ghana Statistical Service (GSS) for the forthcoming 2020 Population and Housing Census (2020PHC) on some social media platforms. The GSS wishes to emphatically dissociate itself from this publication.

The public must note that on Wednesday 21 August 2019, the GSS carried an advert to recruit qualified persons for a specific position of *District Census Officers*, for the forthcoming 2020 Population and Housing Census in the Graphic showbiz new Paper. In the said advertisement, interested persons were requested to submit their applications on-line to a specific e-mail address i.e. "[dco@statsghana.gov.gh](mailto:dco@statsghana.gov.gh)".

GSS therefore wish to inform the General Public that it has not advertised for recruitment for any other position besides what was carried in the Graphic showbiz publication neither has it sublet any recruitment exercise to anybody, person or institution nor is the GSS undertaking any recruitment jointly with any other organisations.

GSS will wish to take this opportunity to advise all persons who may be interested in any position that may be advertised now or in the near future for recruitment for the 2020 PHC Census to cross-check the authenticity and source of their information before making the application to avoid falling into the hands of fraudsters.

Thank you
